SKILLS

- Artificial Intelligence
- Machine Learning
- Deep Learning
- Cybersecurity
- Network Engineering
- HTML5
- CSS3
- JavaScript (ES6)
- Git & GitHub

EDUCATION

M.Sc. in Artificial Intelligence Engineering
Islamic Azad University

B.Sc. in Computer Engineering Technology
Al-Kafeel University

LANGUAGES

- Arabic (Native)
- English (Professional Proficiency)

AI Researcher

ARTIFICIAL INTELLIGENCE ENGINEER

PROFILE

Artificial Intelligence Engineer with a strong interest in Machine Learning, Deep Learning, Computer Vision, and Natural Language Processing. Passionate about developing intelligent systems, software solutions, and modern web technologies.

Committed to advancing AI research and building innovative solutions that contribute to academia and real-world applications.

ACADEMIC PROJECTS

- **Multi-Path Graph Learning for Dos Detection in SDN**
 - *Research project focused on detecting DoS attacks in Software-Defined Networks using Graph Neural Networks.*
- **Engineering Vocabulary Player**
 - *Developed a bilingual educational web application that helps engineering students learn technical terminology through pronunciation, translation, and interactive Practice*
- **Academic Personal Website**
 - *Designed and developed a bilingual academic website using HTML5, CSS3, and JavaScript.*
